

Smart innovation

We've forged a strategic partnership with Holland College's Culinary Institute of Canada to create the Cavendish Culinary Creation Center. Our team of food experts uses its know-how to transform food trends into crowd-pleasing flavors and innovative new foods.

Cavendish Farms locations

Cavendish Farms® is the 4th largest processor of frozen potato products in North America. Our plants are located in North America's prime potato growing regions. Our appetizer plant is located in Southern Ontario's key vegetable growing region.
