inspiration!*

**Basil** ... spark poultry and seafood with this fresh-tasting green sauce of basil crushed with garlic, canola oil and parmesan.  
*Organic version also available*

**Ligurian** ... connoisseur's delight: the original basil pesto from Genoa, Italy — with olive oil, romano, pine nuts and garlic.

**Dried Tomato & Garlic** ... sunny Sicilian cuisine bred this rich medley of dried tomatoes, garlic, herbs & spices.

**Roasted Red Bell Pepper**... luscious roasted peppers piqued with garlic and parmesan cheese in canola oil.

**Southwest Chipotle** ... our lusty Tex-Mex blend of dried tomatoes, garlic, chipotle chilies, cilantro and onions.

**Cilantro** ... hints of Old Mexico and Pacific Islands live in these crushed young coriander leaves, with parmesan and canola oil.

**Artichoke** ... a provocative yet delicate blend of artichokes, romano, canola oil and garlic. Remarkably versatile.

**Roasted Garlic**... instantly! Chopped roasted garlic, tossed with parmesan cheese, herbs and spices. No end of uses.

*plus*

**Alfredo Sauce** ... creamy, buttery, parmesan goodness to top pasta, pizza, chicken, roasted vegetables, more.

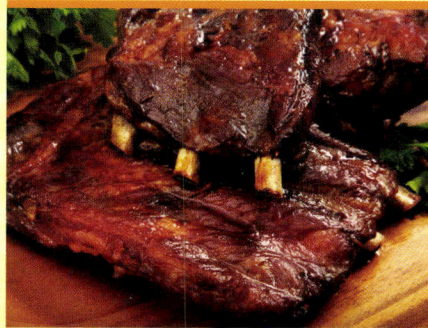

**White Sauce** ... rich with ricotta cheese & subtle spicing. A great white pizza; a versatile base for your inventiveness.

VERSATILE  
**ARMANINO**  
 BRAND  
*Pesto*

• **NO PREP • NO WASTE**

No cleanup. No peeling, trimming, chopping or slicing, Nothing to discard.

• **ADDED PROFIT**

Saves time, saves money. Generates new menu appeal.

• **ALWAYS AVAILABLE**

Consistent year-round freshness, no matter what the season.

• **FROZEN CONVENIENCE**

Re-sealable plastic tubs are easy to use, easy to store.

• **FRESH FLAVOR**

We're often told customers don't notice a difference between Armanino frozen pesto and made-from-scratch. Pesto is best used at room temperature, over-heating may degrade its purity of flavor.

• **UNLIMITED VERSATILITY**

Each pesto can be used in dozens of ways. A small amount added to a familiar recipe can instantly create a signature item that draws customers.

• **DEPENDABLE QUALITY**

Armanino products are always made from top-quality ingredients. Quality control is a priority concern in our state-of-the-art production facilities.

• **RELIABLE SAFETY**

Our production plants operate in compliance with all standards set by USDA and FDA, and meet all HACCP requirements.

• **CONSCIENTIOUS SERVICE**

We're proud of our growth and status as a publicly traded corporation, yet strive to maintain the kind of service expected from small family-owned companies. We provide merchandising ideas along with serving suggestions and recipes for using our top quality products. We are committed to supporting our customers in their drive to increase their profits.

*Armanino frozen pestos and sauces are available nationally and internationally through foodservice distributors. Also available are Armanino's frozen filled pastas and specialty items.*
